							Start of Spring Semester							
	Label													
Code	Week	10-Dec	17-Dec	24-Dec	31-Dec	07-Jan	14-Jan	21-Jan	28-Jan	04-Feb	11-Feb	18-Feb		
	Research													
R6	Research for Solution													
R6.1	Baselines Basic Research													
R6.2	Research effective RL Algorithms													
	Development													
S4	Develop Solution													
S4.1	Install OpenAl Baselines													
S4.2	Integrate Baselines on 1 Game													
\$4.3	Integrate Logging via TensorBoard													
S4.4	Baselines on Multiple Games													
S4.6	Validate the Trained Agents								,					
S6	Refactor to match Agent Structure													
	Other Commitments													
C2	Christmas Holiday													
C3	Autumn Exams
